Dear Parent or Guardian:

Several rumors have come to the attention of the Old Redford Academy Board of Directors. Most of these rumors suggest that the Academy will be closing. Please be assured that this is *NOT TRUE*, as Old Redford Academy has a very bright future ahead.

We believe that these rumors came about as a result of research and conversations that the Board has undertaken. In our service to the academy, we always seek additional avenues and opportunities to prepare our scholars to achieve their greatest potential. We believe our work has been misunderstood and misconstrued by various, ill-informed parties.

Rest assured that while you may see some new faces and a few changes, our vision for academic excellence and our commitment to you and your child is greater than ever. The Board of Directors has high expectations for academic growth and achievement and believe any change that occurs will move ORA closer to accomplishing this vision.

Please know that any large scale changes that impact your families, will be communicated fully through notices sent directly to families. Just as you trust us with the education of your children; please know that we do not take that for granted. We want you to know that the educational needs of the children at ORA come first to the staff and Board.

It is important to the Board that our parents know that we are focused on providing the best quality education to your child. We (parents, staff and the Board) are partners in developing and nurturing great minds.

We need your continued support and invite you to join us at the monthly board meetings and to address any questions that you have to our Board Liaison, at oldredfordacademy@gmail.com

Educationally yours,

Old Redford Academy Board of Directors

Mr. Roy Levy Williams, Board President

Ms. Joyce Henderson, Vice-President

Dr. Larry Latimore, Secretary

Mr. Jason Jefferson, Treasurer
